The CAHPS Hospice Survey Data Warehouse is maintained by the RAND Corporation. All survey vendors contracting with hospices to implement the CAHPS Hospice Survey must have a user account on the CAHPS Hospice Survey Data Warehouse. In addition, all hospices must have user account information and be granted access to the CAHPS Hospice Survey Data Warehouse in order to monitor data submission activities. Complete this form and submit it as an email attachment to cahphospicetechsupport@rand.org or by fax to the CAHPS Hospice Survey Data Coordination Team at (703) 413-8111. **Your form must be received one calendar quarter (90 days) prior to the first time data will be submitted to the CAHPS Hospice Survey Data Warehouse.**

Provide contact information below for your organization's Data Administrator and Back-up Data Administrator. Complete contact information is required to authorize a user account for the CAHPS Hospice Survey Data Warehouse.
