

CAHPS Hospice Survey Data Collection and Submission Timeline

Data collection for sampled decedents/caregivers must be initiated two months following the month of patient death. The data collection process must be completed within 49 calendar days after initial contact. Submission of the data to the CAHPS Hospice Survey Data Warehouse will occur quarterly. Please see the schedule for survey administration and data submission outlined in the table below.

CAHPS Hospice Survey Administration and Data Submission Schedule		
Month of Death	Survey Field Period Begins	Data Submission to the CAHPS Hospice Survey Data Warehouse
